PROFESSIONAL SUMMARY

Computer Science and Engineering student with **9.05/10.00 CGPA** and recognized as **Branch Topper**. Strong foundation in **C++, C, Python, Data Structures and Algorithms, Data Analysis, and Machine Learning**. Completed a one-month **Data Science Internship at CodeAlpha** with hands-on projects in machine learning classification and unemployment data analysis.

TECHNICAL SKILLS

Programming Languages: C, C++, Python

Core Computer Science: Data Structures and Algorithms, Problem Solving

Data Science and Machine Learning: Data Analysis, Data Cleaning, Machine Learning, Classification, Data Visualization

Libraries: Pandas, NumPy, Scikit-learn, Matplotlib, Seaborn

Tools and Platforms: Git, GitHub, Jupyter Notebook, Google Colab

EDUCATION

B.Tech – Computer Science and Engineering

APJ Abdul Kalam Technical University (AKTU)

2023–2027

CGPA: 9.05/10.00 | Branch Topper

Class XII – UP Board

2021–2022

Percentage: **85.80%**

Class X – UP Board

2019–2020

Percentage: **81.67%**

EXPERIENCE

Data Science Intern – CodeAlpha

June 2026 – July 2026

Virtual Internship | 1 Month

- Completed a one-month Data Science internship involving practical data analysis and machine learning tasks.
- Applied **Python, Pandas, Scikit-learn, Matplotlib, and Seaborn** for data preprocessing, analysis, visualization, and model development.
- Developed and submitted machine learning and data analysis projects as part of the internship program.

PROJECTS

Iris Flower Classification

GitHub

- Built an Iris flower species classification model using **Python, Pandas, and Scikit-learn**.
- Used train-test split and trained a **K-Nearest Neighbors (KNN)** classifier with 3 neighbors.
- Achieved **100% test accuracy** using Scikit-learn's accuracy evaluation.

Unemployment Analysis

GitHub

- Analyzed unemployment datasets using **Python and Pandas** to identify regional and time-based trends.
- Created bar and line visualizations using **Matplotlib and Seaborn** for unemployment rate analysis.

ACHIEVEMENTS

- Meenakshi Dixit Award – Rs. 21,000** for securing Branch Topper position.
- Branch Topper** with current B.Tech CGPA of **9.05/10.00**.

CERTIFICATION

CodeAlpha Data Science Internship Certificate – One-month Virtual Data Science Internship, June–July 2026.

LANGUAGES

English, Hindi
